Academic Honesty Syllabus Statement
(approved by the Ybor City Campus Learning Council
November 6, 2014)
Students who demonstrate academic integrity use their own thoughts and efforts when performing academic work and acknowledge any contributions or collaboration. Academic integrity is critical to Hillsborough Community College’s mission, vision, and values, and it is the responsibility of all faculty, staff, and students of the college. Each person must consciously choose to uphold this important and vital responsibility. Students who engage in academic dishonesty, including plagiarism, collusion, cheating, or other acts of dishonesty, will be subject to academic penalties, including but not limited to, no credit or reduced credit for an assignment or exam, a reduced or failing final grade, or suspension or dismissal from the college.
