Using Library Databases

Go to http://libguides.hccfl.edu/hcclibraries. Under Library Resources, click on Databases A-Z.

In order to access any of HCC Library’s electronic databases you must enter your Borrower (Student) ID and PIN (last 4 digits of Borrower ID).

**NOTE:** When you log into Canvas, open your ENC1101 Course, click on the HCC Libraries Online option in the left column. This will show a button, “Launch Hillsborough Community College”. When you click on this button, the HCC Libraries Online Catalog page opens and you are now logged in.

Type in your keyword or search topic.

1. Click on Full-Text
2. Narrow search results by Document Type, Subject/Topic, Publication Date

**Article Review**
Title, Author, Source, Date, Abstract

**Tools Box**

**Citation Tools:** Need to cite your sources for the information used in your paper.

**LibGuide**
http://libguides.hccfl.edu/niedbalec1101

Good databases to use when searching for magazine, newspaper and journal articles:

- Academic OneFile
- Academic Search Complete
- Art & Architecture Source
- Biography in Context
- Encyclopedia Britannica
- General Science
- Health & Wellness Resource Center
- Humanities Source
- MEDLINE Full Text
- Military & Government Collection
- Science in Context
- Social Science Full Text
- U.S. History in Context
- Virtual Reference Library

**NOTE:** Double check the citation provided by a database. Suggested sources:

- MLA Handbook, Eighth Edition
- Purdue Owl Writing Lab: https://owl.english.purdue.edu/owl/resource/747/01/
