ENC 1101 Library Research Assignment

Utilizing (1) the LibGuide for this course, (2) the Library Orientation video, and (3) HCC Library Resources (electronic and/or hardcopy), complete the following components of this research assignment. All elements of the assignment may be accessed through your course homepage/Student Resources. Provide the information and a full MLA citation for each entry. This is a research and citation assignment; please provide all complete information for all entries.

1. Locate and cite a single biography of a former U.S President.

2. Using the Oxford English Dictionary (OED), locate the definition and etymology of the terms “style” and “culture”.

3. Using the electronic Occupational Outlook Handbook (OOH), or the hard copy, locate the necessary training and education for two professions of your choice; include earnings, anticipated job prospects, and working conditions.

4. Using LSDL, locate an article on “academic writing” and provide a citation.

5. Using the Google Book Search, find a book on the subject of “investing wisely” and provide a citation.

6. Using the LINCCWeb Catalog, locate and cite:
   (a) a book on the subject of “hypertension”
   (b) a book by Stephen King
   (c) a book about Donald Trump
   (d) a book about the “2016 election,” published 2016/2017

7. Using the same resource, locate and list all books in the HCC collection by author Tillie Olsen.

8. Using the keyword “economic stimulus” and searching “all community colleges”, cite two of the most relevant search result(s).
